L.E.A.D.®
LAW ENFORCEMENT AGAINST DRUGS

Happy New School Year! We are so proud to serve your agency for another great year!

Offering the **ONLY** tested-proven-effective K-12 evidence based ATOD curricula for Law Enforcement is an honor and a privilege! Being able to bring this to you is most gratifying! **We are excited to offer your New Jersey students FREE workbooks again for this school year.**

The growth and demand for L.E.A.D. nationally is because of **YOU** and your understanding that Law Enforcement Agencies need to ensure the school districts and children they serve are getting information that has been proven effective to justify implementation! The days of developing lessons and handing them out are **over**! Our 10-lesson universal curricula ensure that everything you need is **on hand**! Safe use of opioids! Tested information on cannabis! Issues on vaping! These are all addressed in age-appropriate lessons and for the implementation for the grade level of **your** choosing! You should be proud New Jersey is the LEADER.

Our workbook order form will be online on August 15. It will be included with the Database Maintenance and Workbook Order forms under Our Program – Program Materials tabs. Be sure to use the New Jersey form! **We will be hosting a 3-day opportunity to pick up your workbooks and receive a complimentary lunch Monday-Wednesday, September 9, 10, and 11 from 11 am until 3 pm. Pick up will be at the L.E.A.D Headquarters in Allentown, NJ.** We ask that you submit your completed forms online ASAP.

We are also excited to share great news!

With our growth into serving all **50** states and certified instructors in **28**, we are revamping our operation: This includes administrative changes, increased staffing, and most importantly, a L.E.A.D. office to better serve you and your daily needs! Please stay tuned to our website and Facebook page for updates!

Thank you for taking the **LEAD** in your community!
